RESTRICTIONS FOR JUNIOR & JUVENILE MEMBERS

Juniors will only be allowed the chance to play in the Gents & Ladies Championships with a handicap of 18 or under. All other Juniors and Juveniles to play in JUNIOR CHAMPIONSHIPS ONLY.

NO PLAY during Gents or Ladies matches or competitions except by previous arrangement with an authorised Club Official.

Any Junior or Juvenile (Boys Handicap 24 or less, Girls Handicap 36 or less) wishing to play in adult competitions must be drawn with two adults.

NOTES

Handicap

To maintain an official Handicap, at least three medal scores must be returned each season, in a 9 or 18-hole Medal Competition. To obtain an official Club Handicap, at least three cards must be submitted played over one of the Club's measured courses. Completed cards should be endorsed "For Handicap" and placed behind the Bar for the attention of the Competitions Convenor or Handicap Secretary.

Medal Competitions

All Medal competitions require players to enter their names on the on-line entry form by 6pm two or three days before the event. This is to allow the Draw to be published in good time. There will always be circumstances where late entries are unavoidable, but members are asked to enter by the relevant deadline whenever possible. After a time, serial late entrants will not be allowed to compete.

Gents Club Championships

Gents Championship competitions will be held in three classes

Club Championship	Open
Class 2 Championships	10 to 15 handicaps
Class 3 Championships	16 to 28 handicaps

The number of qualifiers for the knock-out stage in any class will be determined by the number of entries and will be either 8, 12 or 16. Matchplay stages will take place during week commencing Monday 25th June with the Finals being held on **Saturday 30th June**. Friday 29th June is designated a contingency day for the knockout stages in case of bad weather earlier in the week. The Club Championship will be played over 36 holes, while Class 2 and Class 3 finals will be played over 18 holes. Spectators are encouraged to follow these matches.

Gents Fox and Hounds Trophy

To qualify, a player must finish in the first three of the nominated competitions. The finalists from the three Club Championships and the Gents Handicap Matchplay competitions also qualify. The winner will be the player with the lowest net aggregate score over two rounds of 18 holes played on **Saturday 15th September**. Strokeplay rules will apply on the day.

Matchplay Competitions Gents & Seniors Entries close on 8th April

The Draw Sheets for all Matchplay competitions will be exhibited on the website and the relevant Competitions Notice Boards. **First rounds in the Gents Hole Cup and Pye Lyle Trophies must be completed by Sunday 6th May**

Notes

1. Entry fees **MUST BE PAID** before names are allowed into the draw.
2. Match results **MUST** be on the **DRAW SHEET** by the specified dates to avoid elimination of both parties.
3. It is the responsibility of all players to arrange the match. **Telephone numbers** should be written beside your name on the draw sheet.
4. The Competitions Convenor reserves the right to eliminate both parties in the event of a **SUBSTANTIATED** complaint, but will do this in exceptional circumstances

Guidance for the use of Concessionary Vouchers

Each member has 12 concessionary vouchers.

Members must play, accompanying the visitors when signed on by them at the concessionary rate.

A member may use up to three concessionary vouchers at any one time, on which occasion the visiting player will pay only the reduced rate applicable.

The voucher must be dated, include the visitor's name, and be signed by the member before either being handed to the Steward or in the Stewards absence being put into the Green Fee Envelope with the correct payment for the round.

No visitor is to be introduced more than 6 times per annum. It is the duty of the introducing member to ensure that their visitor has not been introduced more than 6 times in the year.

If a Member is introducing a visitor without using a concessionary voucher, the member must ensure that the full Visitor's Green Fee (per round or per day) is paid.
